

KEYSTONE VIZSLA CLUB

SEPTEMBER 2016

Of Pennsylvania

In This Issue:

- *Field Events on the Schedule*
- *Supported Entry at Bloomsburg*
- *General Membership Meeting*
- *2017 Trophy Fund Donations*

KVC FIELD EVENTS SCHEDULED!

Members: We are awaiting AKC approval for our first two field events! We need to be mentored for these first ones, but they are on the calendar.

Please “pencil” in Saturday and Sunday, November 12 & 13 for our Field Trial to be held at the York Pointer Setter Club (YPSC) between Rossville and Wellsville north of York, PA. We will need lots of volunteers to help with this, and it is expected to have a “walking stake” which should be a

good introduction to those of us who have never participated in a Field Trial before. Volunteering to help will NOT preclude you from entering.

Again, on Saturday and Sunday, November 26 & 27, we will conduct our first Hunt Test, pending AKC approval, also at YPSC. For both events, we will need people to volunteer to help -- from helping to welcome and register the entries, marshal the dogs to the line, planting birds, helping

with the paperwork, and working the kitchen—all pieces that go into a successful event.

Even if you think you aren't interested in field events, come on out and help. Your interest may be kindled, but none-the-less, these events tend to be great fun just hanging around with dog people doing what dogs do!.. and yes, you can bring your dogs.

SUPPORTED ENTRY AT BLOOMSBURG & MEMBERSHIP MTG.

Premiums should be out shortly for the Vizsla Supported Entry we are holding on Saturday, November 5th at Bloomsburg as part of Back Mountain Kennel K.C.'s “Falling Leaf Cluster.”

We hope to get a good turnout from our club

members' dogs. A big showing will help not only Back Mountain KC, but Keystone Vizsla Club, too!

Very Important!! There will be a general membership meeting following Vizsla Best of Breed competition. Lots of things happening

now, with the field events and our specialty confirmation show next March at York. The club appreciates and needs your support and your involvement. So come enjoy the dog show and participate in the membership meeting.

Keep up to date on our website!

4 All Breed Shows
4 Obedience and Rally Trials
NOHS on Thursday & Friday
4-6 Month Beginner Puppy Special Attraction all 4 days

A Vizsla is not a dog, it's a lifestyle!

TROPHY FUND DONATIONS NEEDED!

It is time to line up our trophies for the 2017 Specialty! Our trophy chair, Diane Shearer, has that well under control, but we need the funds to pay for them!

Attached is the form you may return to specify a specific trophy/award that you would like to sponsor and be recognized in the show premium and catalog.

Since we are doing back-to-back Vizsla specialties again with Conestoga Vizsla Club, the York show has become a showcase weekend! Our club's trophies are im-

portant, reflect on us as a club. Sponsorship is a wonderful opportunity for you to have recognition or a tribute made to a dog or kennel you care about.

The bottom line is, however, we need funds to buy the awards for every class at the specialty. Any spill-over helps with the supported entry later in the year. So we encourage you to contribute to the trophy fund with a general contribution if you can or a specific class award if you want. Our treasurer diligently accounts for trophy

fund donations and they are tracked carefully to be used for their intended purpose.

The deadline for specific sponsorships is October 30, as Diane must submit the information to Rau Dog Shows, the show superintendent, by November 1 to be included in the printed premium and catalog. All the instructions on how to make your contribution are included on the form!

Thanks in advance for your timely support of our trophy fund.
